1. Make tomato sauce

Crush or finely chop the **garlic**. Pick the **thyme** leaves, discarding the stems. Cook the **garlic** and **1 tbs oil** in a small saucepan over medium heat for 1 min or until lightly golden. Stir in the **tomatoes** and **half the thyme**, and season with **salt and pepper**. Bring to a simmer and cook, stirring occasionally, for 8-10 mins until slightly reduced. Remove from heat.

4. Start assembling

Layer **one-third of the zucchini** slices in the base of the baking dish. Top with **one-third of the tomato sauce**, **half the remaining parmesan** and **half the ricotta**. Scatter over **half the oregano**.

2. Grill zucchini

Meanwhile, preheat the grill and line an oven tray with foil. Trim **zucchini**, then cut lengthwise into 5mm-thick slices. Place in a single layer on the lined tray. (Grill in batches for 4P** see cooking tip). Lightly spray both sides of the **zucchini** with **oil** and season with **salt and pepper**. Grill, turning halfway, for 5 mins or until lightly golden.

5. Finish assembling

Repeat Step 4, then layer the **remaining zucchini** and **tomato sauce**. Scatter over the **breadcrumb mixture** and bake in the oven for 10 mins or until bubbling and the cheese is melted.

3. Prepare ingredients

Meanwhile, finely grate the **parmesan**. Pick the **oregano** leaves, discarding the stems. Combine the **panko breadcrumbs** with the **remaining oil**, **one-third of the parmesan** and the **remaining thyme**. Switch grill to oven mode at 200C.

6. Grill parmigiana

Return oven to grill mode and grill the parmigiana for 2 mins or until the top is golden. Set aside for 5 mins before slicing and serving.
