1. Prep ingredients

Preheat oven to 450°F with top rack 6-inches from heat source. Trim ends from **carrots**, peel, halve crosswise, and cut into sticks, about ½-inch thick. Transfer to a medium bowl; toss with **1 tablespoon oil** and **a pinch each salt and pepper**. Trim ends from **green beans**. Make 2 gashes into top of **drumsticks** at the thickest part, slicing to the bone.

2. Roast chicken

Lightly **oil** a rimmed baking sheet. Arrange **drumsticks** on one half of the baking sheet. Rub the drumsticks lightly with **oil**, and season with **¼ teaspoon salt** and **a few grinds pepper**. Roast on top oven rack, about 10 minutes, then remove from oven.

3. Add carrots

Add **carrots** to the empty half of the baking sheet. Return to oven and bake until carrots are tender and **chicken** is cooked through, about 15 minutes. Meanwhile, whisk **honey** and **mustard** in a small bowl. Season to taste with **salt** and **pepper**.

4. Broil chicken

Remove baking sheet from oven and switch oven to broil. Brush **drumsticks** with **honey-mustard glaze**. Return to oven and broil until glaze is bubbling and beginning to brown, about 3 minutes.

5. Cook green beans

Meanwhile, bring a medium saucepan of **salted water** to a boil. Add **green beans** and cook until crisp-tender, 3–4 minutes. Drain, and transfer to a medium bowl. Drizzle with **oil** and season to taste with **salt** and **pepper**. Serve **chicken** with **carrots**, and **green beans** alongside. Enjoy!

6. Carbo load

This meal has already got all the right things going for it—a rainbow of veggies + protein. But if you wanted to make a quick batch of couscous, or a rice pilaf to serve alongside, both would go well!
