### 1. Prep ingredients

Bring a large saucepan of **salted water** to a boil. Trim ends from **scallions**, then thinly slice on the diagonal. Pick **cilantro leaves** from stems and finely chop **stems**.

### 4. Season ramen & heat oil

Transfer **ramen** to a large bowl and toss with **2 tablespoons oil**, **cilantro stems**, **remaining scallions**, and **all but 1 teaspoon of the remaining kimchi paste**; season to taste with **salt** and **pepper**. Heat **3 tablespoons oil** in a large nonstick skillet over medium until rippling.

### 2. Make slaw

Meanwhile, place **cabbage blend** in a large bowl and sprinkle with **2 teaspoons salt**. Using your hands, massage cabbage for a few minutes until it starts to soften and wilt. Add **vinegar**, **half each of the cilantro leaves and scallions**, **1 tablespoon of the kimchi paste**, and **2 teaspoons sugar**, and toss to combine.

### 5. Cook ramen cake

Add **ramen** to the hot skillet and spread into a single layer, pressing down to flatten. Cook until the bottom is crispy and golden brown, 7-9 minutes. Place a large plate over skillet. Using oven mitts, invert the **ramen cake** onto plate. Slide the cake back into the pan cooked side-up, and continue cooking until bottom is crispy and golden, 5-7 minutes.

### 3. Cook ramen

Add **ramen** to boiling water and cook until tender, about 1 minute. Drain ramen, rinse with cool water, and drain well again.

### 6. Make spicy mayo

In a small bowl, whisk **mayonnaise** with **remaining kimchi paste** and **1 tablespoon water**; season to taste with **salt** and **pepper**. Slide **ramen cake** out onto a cutting board, and cut into wedges. Serve topped with **kimchi slaw** and **remaining cilantro leaves**. Serve with **spicy mayo** for drizzling over. Enjoy!
