### 1. Prep ingredients

Preheat the oven to 180C. Slice off the **pineapple** skin, then halve lengthwise and remove the core. Cut **half the pineapple** widthwise into 5mm-thick slices (the remaining pineapple won't be used in this dish). Thinly slice the **onion** into rounds. Roughly chop **½ cup of the rocket leaves**, reserving the remainder.

### 2. Cook sausages

Heat **1 tsp olive oil** in a medium frypan over medium heat. Cook the **sausages**, turning occasionally, for 10 mins or until golden and cooked through. Remove the pan from the heat.

### 3. Warm bread

Meanwhile, cut a slit lengthwise down the **bread rolls**, taking care not to cut all the way through. Put on an oven tray and bake for 8 mins or until warmed through and crusty. Put **2 tbs mayonnaise**, **1 tsp of the jerk spice blend** (the remaining jerk spice won't be used in this recipe) and **1 tsp water** in a small bowl and stir to combine.

### 4. Caramelize pineapple

Put **1½ tbs sugar** on a plate. Press **pineapple slices** into the sugar to lightly coat. Heat a large frypan over high heat (see Kitchen hack). Cook for 1-2 mins each side until the sugar is golden and caramelised. Remove the pineapple from the pan. Spread the **rolls** with three-quarters of the **jerk mayonnaise**, then fill with the **sausages** and pineapple.

### 5. Assemble and serve

Scatter the rolls with the **chopped rocket** and **one-quarter of the onion**. Drizzle with the **remaining jerk mayonnaise**. Toss the **remaining rocket and onion** with **2 tsp white wine vinegar** and **2 tsp olive oil** in a large bowl and season with **salt and pepper**. Divide the **hot dogs** and **salad** among plates and enjoy.

### 6. Kitchen hack

We recommend you use a non-stick frypan to cook the pineapple to prevent it sticking. You could also cook the sausages and pineapple on a hot barbecue to get a great chargrill flavour.
