### 1. Prep ingredients

Preheat the oven to 200C. Line an oven tray with baking paper. Bring a medium saucepan of water to the boil for the grain blend. Peel the **carrots** and halve any large ones lengthwise, leaving the tops attached. Crush or finely chop **1 garlic clove**.

### 2. Cook grains

Cook the **grain blend** in the pan of boiling water for 20-22 mins until tender. Drain, then rinse under cold water to cool slightly.

### 3. Roast carrots

Meanwhile, put the **carrots** on the lined tray. Scatter with **1 tsp harissa seasoning** (see Make It Yours), season with **salt and pepper**, drizzle with **2 tsp olive oil** and toss to coat. Roast, turning once, for 25 mins or until tender.

### 4. Make dressing

Put the **garlic**, **currants**, **1 tsp harissa seasoning**, **1½ tbs red wine vinegar**, **1½ tbs olive oil** and **2 tsp honey** in a large bowl, season with **salt and pepper** and stir to combine.

### 5. Serve up

Add the **grain blend** and **rocket** to the **dressing** and toss to combine. Divide the **salad** among plates, top with the **roasted carrots**, crumble over the **feta** and enjoy.

### 6. Make it yours

Hailing from Tunisia, harissa is a seasoning with a little chilli kick. If you prefer less heat, add the harissa to taste. You can also boost the protein with toasted pepitas or slivered almonds, or add mint leaves for extra Middle Eastern flavour.
