1. Blanch green beans

Bring a medium saucepan of **salted water** to a boil. Trim ends from **green beans**, then snap in half. Transfer green beans to boiling water and cook until just tender, about 3 minutes. Drain green beans well, rinse with cold water, and drain again.

4. Grill zucchini & steaks

Heat grill or grill pan to high and brush grates lightly with **oil**. Transfer **zucchini** and **steaks** to grill. (Save zucchini bowl for step 5.) Reduce heat to medium-high and cook until steaks are well-browned and medium-rare, and zucchini is tender, 3-4 minutes per side.

2. Prep ingredients

Peel and finely chop **1 teaspoon garlic**. Coarsely chop **almonds**. Coarsely grate **Parmesan** on the large holes of a box grater. Trim ends from **zucchini**, then cut on an angle into ¼-inch thick ovals. Transfer zucchini to a large bowl and toss with **4 teaspoons oil** and **a pinch each salt and pepper**.

5. Assemble salad

In same bowl, combine **garlic**, **4 teaspoons vinegar**, and **a pinch each salt and pepper**. Whisk in **2 tablespoons oil**. Add **zucchini** and **green beans**, tossing to coat.

3. Prep steaks

Pat **steaks** dry, then rub all over with **4 teaspoons of the pesto**. Sprinkle steaks all over with **1 teaspoon salt** and **a few grinds pepper**.

6. Finish & serve

Just before serving, add **half each of the Parmesan and almonds** to salad, stirring to combine. Thinly slice **steaks** and transfer to plates, spreading **1 tablespoon of the pesto** on top of each **steak**. Garnish with **remaining almonds and Parmesan**. Enjoy!
