1. Cook potatoes & peas

Peel **potatoes** and cut into 1-inch pieces. Place in a large saucepan with **1 tablespoon salt** and cover with **1-inch of water**. Place a lid on saucepan and bring to a boil. Reduce heat to medium, and cook until tender when pierced, about 10 minutes. Add **peas**; cook 1 minute. Reserve **¼ cup potato water**. Drain potatoes and return to saucepan off heat.

4. Finish gravy

Return **sausages** and **any juices** back to skillet with gravy. Reduce heat to medium, and simmer until sauce is slightly thickened to **1½ cups** and sausages are cooked through, 7–10 minutes; season to taste with **salt** and **pepper**. Keep covered until ready to serve.

2. Cook sausages

Meanwhile, prick **sausages** all over with a fork. Heat **1 tablespoon oil** in a large skillet over medium-high. Add sausages and cook, turning occasionally, until browned all over but not cooked through, 6–10 minutes. Transfer to a plate, cover and set aside until step 4.

5. Finish potatoes & serve

Meanwhile, heat saucepan of **potatoes** over medium, and cook, stirring frequently and lightly mashing with a spoon, until pale, dry and warm, about 1 minute. Stir in **potato water**, **all of the sour cream**, and season to taste with **salt** and **pepper**. Serve **mashed potatoes** topped with **sausages** and some of the **gravy**. Serve **remaining gravy** alongside. Enjoy!

3. Start gravy

Peel and finely chop **3 large garlic cloves**. Add **2 teaspoons oil** to same skillet over medium-high. Add garlic, and cook until fragrant, about 30 seconds. Add **2 tablespoons flour** to skillet and cook until toasted, about 1 minute. Stir in **2 cups water** and **all of the chicken broth concentrate**; bring to a boil.

6. Make it picky eater proof

We like to simplify as much as possible, but we get it, some people prefer not to mix up their food! If you have a picky eater at home, serve the sausages alongside the mash and cook the peas separately. Serve the gravy on the side for those who wish to partake!
